OTHERS

TO ONE'S OWN

All must be considered together and
apart. We must interact yet maintain
our own unique identities. All people
have their lives to lead. The feelings,
the hopes, the disappointments are all
part of the endless motion of living.

No one is denied meaning.

There is learning in all the associations of life. We meet, we relate, we come away, hopefully, with a different thought or a new meaning.

IT TAKES ALL
KINDS OF PEOPLE. ALL
ARE DIFFERENT.

ALL NEED TO BE.
WE COME
TOGETHER
AT TIMES

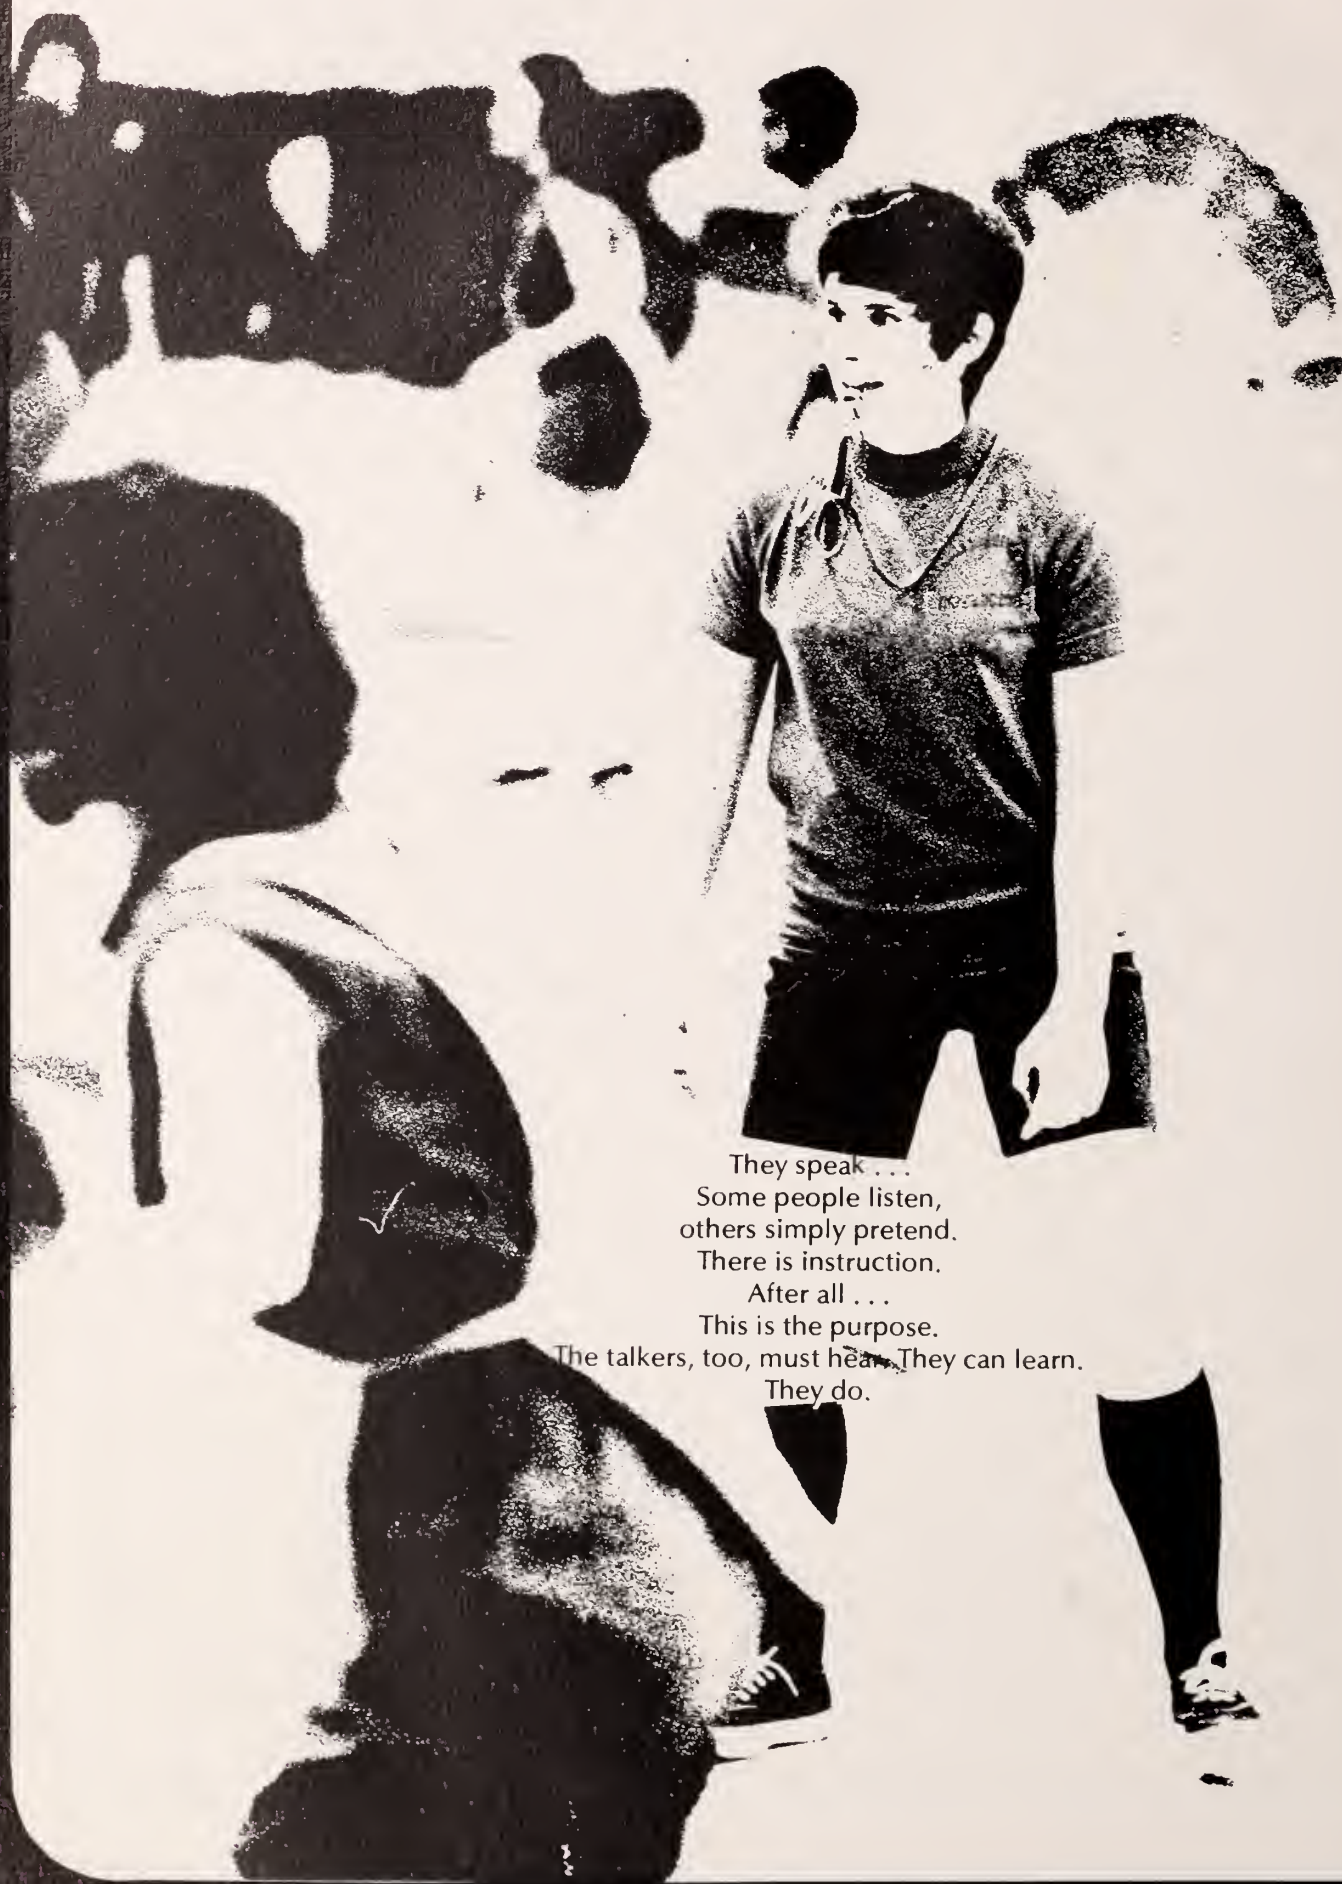

and unity becomes a part of us. All kinds of people, each a world within himself.

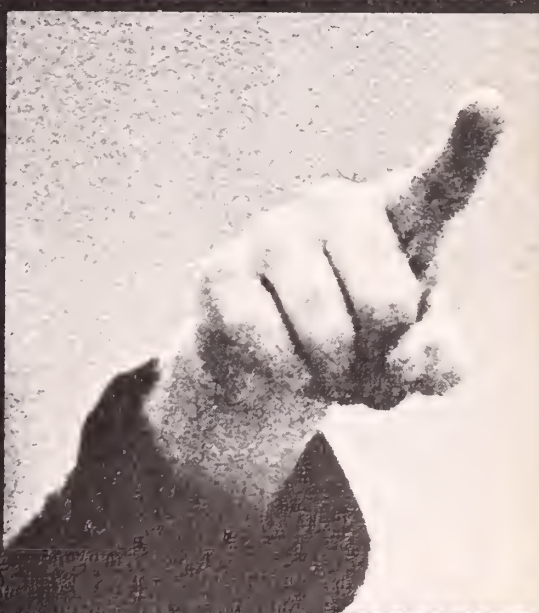

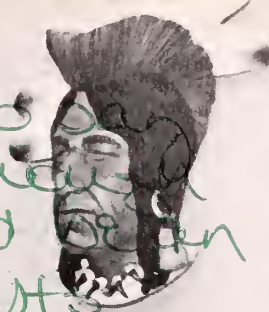

All have their proper places. Understanding is essential. Why not come together?

They speak . . .
Some people listen,
others simply pretend.
There is instruction.
After all . . .
This is the purpose.
The talkers, too, must hear. They can learn.
They do.

Mr. E.E. Brickell has again served Virginia Beach City Schools in the capacity of Superintendent. In this position, he has many responsibilities to an unlimited number of people. He must accomplish a great deal in a time when much effort is required to get even little done.

He must speak to many when numbers of people are unwilling to listen. Yet, despite his many demands and obstacles, he effects many advances in our educational system.

Mr. E.E. Brickell — Superintendent of Schools.

EDUCATION IS HIS LIFE'S WORK

Many times in life words become inadequate. Often those times come with parting. It is with this in mind that the following is said.

Mr. Morris was the center who laid the foundation for what Kempsville High School has become. For this alone, much is owed to him.

As a leader, he has set an example, and has filled his position in a manner to be respected. As a man, he has become even more important to us. He is a man of conscience and concern. He is a man who thinks and shares his thoughts.

We are very much aware of his feelings toward his fellow man for his warmth is felt in interaction.

We thank you, Mr. Morris, for giving of yourself and hope we, too, have served you well. If it is true that a man gets out of life what he puts into it, you have much to gain. Certainly you can leave this position with a sense of pride and with the knowledge that much of you remains with us.

Mr. N.W. Morris — Principal — Kempsville High School.

ASS'T PRINCIPALS PROVE WORTHY OF RESPONSIBILITIES.

Mr. Shields is the assistant principal in charge of discipline at Kempsville High School. The attitude he expresses is one of concern and interest in the students with whom he deals every day. Although his job may seem trying at times, he is always alert to the problems of others and helps them in any way he can.

Mr. Fields is the assistant principal in charge of instruction. In his second year at Kempsville he has become an essential part of our school. His main duties are to supervise the curriculum and to guide teachers in their processes of instruction. He is a vital part of our school.

STAFF AIDS K.H.S.

Mrs. Maddux

There are five ladies to whom all K.H.S. owes a great deal of thanks. They are the secretaries of our school.

Many duties have to be performed in order for a school to operate effectively. These ladies are often behind-the-scenes but always fulfilling their duties.

Mrs. Poff's role as Kempsville High's nurse demands that her attention be focused on the students. Her concern for each individual's welfare is evident. Her duties are well performed.

NEEDS OF STUDENTS FOREMOST

The position of a counselor has been defined as: "A professional educator with specialized, graduate level training in counseling and related guidance services whose major concern is for the normal, developmental needs and problems of all the pupils for whom he is responsible."

As is obvious from the above, the role of counselors in secondary schools is a demanding one. It ranges from individual encounters with students to assisting in the taking of varied scholastic tests.

Counselors help undergraduate students to plan for their future years in high schools. They help seniors apply for college acceptance.

The counselors have served the students at K.H.S. enthusiastically. They have been guided most effectively by Mrs. Fritch, headcounselor.

IN MINDS OF COUNSELORS

Mrs. Helen H. Dillon brings her educational career to an end this year after twenty-three years of service.

During those years Mrs. Dillon has served in several capacities. She has also been a counselor. It is in the latter position that we of K.H.S. have known her. It is obvious that she is keenly aware of student needs.

At a person's leaving, many thoughts are brought to mind. It is difficult to express thanks to one who has given so much of herself. We can only realize that she has been a friend and helper to many. Her reward, we hope, is found in our awareness of this fact.

Mrs. Helen H. Dillon

ENGLISH FOCUSES ON INDIVIDUAL

Living in an age of seemingly endless information, students come to education surrounded by facts, and stand a good chance of leaving education as little more than programmed citizens. The English department, as well as other departments at Kempsville, attempts to create an atmosphere rich in selectivity so that students can be aware of the many facets of life.

LANGUAGE STIRS TRAVEL INTERESTS

In today's world of instant communication, increased trade and tourism, the importance of learning a foreign language has never been more evident. The way for us to live with, trade with, and communicate with the people of other nations, is to learn to speak to them in their language.

The instruction of foreign languages at Kempsville is facilitated in the use of the two language labs which expose the student to a variety of speech.

PRIMARY OBJECTIVE — VOCATIONAL

The overall goal of our business department is to train our students to a high level of vocational competency. We use an integrated learning approach in teaching office occupations. That is, we seek to teach the student all facets of work related to a particular office occupation. Office work is an expanding area of employment. We wish to aid in training and placing students in these office positions.

P.E. CO-ORDINATES MIND AND BODY

More emphasis was given to general physical fitness rather than skills in the physical education classes this year. This program of sound physical conditioning was coordinated within the regular activities of seasonal sports.

Cross country was another new feature added to the program this year, not only as an aid in physical fitness but to increase interest in track and field events.

Classroom instruction in the P.E. classes enables one to have a better understanding of all phases of physical health. It is obvious how very important instruction of this nature is to the individual.

MARSHALL REIGNS AS MISS IMAGE

Miss Image escorted by Don Hauck.

Miss Image for this year was Kathy Marshall. The crowning took place at the Kempsville — Kellam home basketball game. Becky Matthews, Miss Image 1971, crowned her successor during half-time at the game.

Each year Miss Image is chosen by the students of Kempsville High School. Suggestions made by the students were given to a group of senior teachers who limited the list to six contestants.

SIX SENIORS VIE FOR TITLE

Miss Image is an example of the ideal student. Many characteristics are considered. It is not necessary for her to be outstanding academically, yet her standing is of importance. First and foremost is her attitude, as is evident in her actions at school. School spirit, citizenship, personality, and appearance are considered. The honor is one to be respected.

This year, the contestants were: Cindy Hicks, Stephanie Holt, Lu Ann Lundy, Theresa Remicci, and Cassandra Stancil.

The second annual Homecoming was a night which present and past students of Kempsville High will remember for years to come. Circling around the field were cars and floats of all colors and sizes. The football players added to the excitement by winning the second Homecoming game.

The highlight of the night came at

half-time. The band and drill team combined to perform an outstanding show. Adding to the pageantry, the Homecoming court and class princesses paraded onto the field through an archway of batons.

From the five girls on the court, Debbie Forehand was chosen Homecoming queen for 1971.

Debbie Forehand has been a credit to our high school and certainly deserves recognition. She has been co-captain of the Varsity cheerleaders, member of Y-Teens and the Girl's Athletic Association. She was also alternate to Girl's State. The Homecoming Queen is chosen on the basis of activities, appearance, and her contributions to Kempsville High. Candidates were: Faye Mayton, Carol Sykes, Mary Domme, Debbie Forehand, and Kathy Marshall.

The Student Cooperative Association serves as a voice for the student body to fellow students, faculty, and administration. The success of any activity or project sponsored by the SCA depends on the effort and enthusiasm of each student at Kempsville. Each student is urged to take part in Executive Council meetings and to feel free to express any suggestions or ideas to the council members.

Mrs. West sponsors the organization, and this year's officers are: Bill Baxter, President; Hank Jones, Vice-President; Phyllis Ashley, Secretary; Cassandra Stancil, Treasurer; and Elly Bradshaw, Historian.

Creativity and diligent labor are two necessities in the production of a yearbook. The Image staff has combined these two factors to compile a book, which hopefully reproduces the characteristics of Kempsville High School.

Every year the staff selects a theme which conveys the feeling of people

at KHS. Realizing that each person has a proper place, we have chosen to represent the many different people at Kempsville by the theme "All Kinds of People."

Much credit and recognition go to Miss Pleasants and Miss Dilday, the sponsors for this year's book.

N.H.S. FULFILLS EDUCATIONAL GOALS

The National Honor Society is made up of students selected throughout the school who best exemplify the qualities of character, leadership, service, and scholarship.

"Probably no honor or responsibility conferred by the school excels that represented by the National Honor Society. It represents the fundamental objectives for which schools are instituted and gives recognition to those who have attained most nearly the desired ends. Other honors recognize specialized ability, skill or talent; but this society looks upon education as a total product measured by the four dimensions of life," commented principal N.W. Morris when the National Honor Society was officially formed at Kempsville High School.

They also hope to have representatives to attend the international convention in Indiana this summer.

The objective of the drama classes is to develop appreciation of plays presented in class, those presented in school and those presented professionally. Learning basic skills of self-expression and gaining confidence and poise are goals of this department.

A study of all integral parts of play

production enables one to acquire a meaningful appreciation for drama. The students learn this through actual stage acting, make-up, reading plays and through the stagecraft of building scenery and lighting the stage.

Team captain, David Beard, and debate manager, Frank Minschke, stand by their trophies.

The Kempsville Debate Club is in actuality the Kempsville Debating Team. It is their purpose to provide valid discussion of controversial subjects.

In the past the Debate Team has maintained an outstanding record. We expect much of them in the future.

In the club there are two particularly outstanding members. They are David Beard who is the team's captain and Frank Minschke who is the Debate manager. They alone are responsible for seven trophies for Kempsville.

Mr. Brinton, who substitutes at Kempsville High School, is the club sponsor. His help is greatly appreciated.

CLUB TRIES FRENCH CUISINE

Le Cerle Francais was organized because of the desire of many French students to use their knowledge and to learn about the culture of the country. Through club activities, the members obtain a glimpse of the customs and ways of the French people.

The club hopes, in time, it will be able to award a scholarship to a de-

serving French student each year. Two of our activities this year were a French dinner and Christmas caroling in French.

This year's officers are: Phyllis Ashley, President; Lynn Howard, Vice-President; and Valerie Hasle, Secretary-Treasurer.

To achieve this goal this club will make its annual trip to Washington, D.C. or possibly, this year, to the Pennsylvania Dutch country. The group travels to Washington, D.C. each year to tour the Pan American Building. Mrs. Sessoms and Mrs. Petroff sponsor the students.

LATIN CLUB TRAVELS TO ROME FOR EASTER

President — Nancy Pees; Vice-President — Lucy Kuzeman; Treasurer — Devin Elderidge; Secretary — Jane Carvil.

John Brewington does his share.

The newly formed Latin Club started the school year by joining the National Junior Classical League, an organization comprised of Latin clubs throughout the country. The Club's main goal is to promote and encourage interest in the Latin language and the civilization of ancient Rome.

In October, the Latin Club began making plans to participate in the National Junior Classical League trip to Rome during Easter vacation. The club members worked hard to earn the money to help finance the trip. The money making projects included: selling candles, doughnuts, and candy at the football games, cleaning the stadium after games, and having a rummage sale.

The Latin Club has shown tremendous effort as a group led by President — Nancy Pees, Vice-President — Lucy Kuzman, Treasurer — Devin Eldridge and Secretary — Jane Carvil. The sponsor is Miss Oursler.

KEY CLUB PROVES VERSATILE

The Key Club has been very active in its affiliation with the Kiwanis Club. The major aim of the club this year is to earn money for the school's spotlight. They have done so by sponsoring the annual Donkey Ball game. The boys cheered at the annual Powder Puff game and the homecoming game. Other activities planned are having a party with the Bayside Keyettes and giving to orphans and various needy groups. The Key Club motto is "To Enrich Man's Existence." Their sponsor is Mr. Fields.

The Keyettes have taken very active interest in "Project Concern." This is a

charity through which people in underprivileged areas are aided. These students have truly given of themselves.

The club feels particularly honored this year because one of its members, Pat Hardin, was elected Secretary of Tidewater District Keyettes.

The Environmental Conservation Organization of Students, is one of the newest clubs at Kempsville. The club's purpose is to help educate others in regard to conservation practices, pollution, over-population, and protection of the environment. A service organization, the group held clean-ups and paper drives as evidence of what can be done to clean up and conserve our dwindling natural resources. In the future, the club hopes to set up an on-site study center in collaboration with the Virginia Beach Department of Parks and Recreation or with other conservation groups on private lands so that people can study conservation at work.

The main objective of the Art Club at Kempsville High is to develop an awareness of the nature of man and his environment through student perceptions and conceptions using shapes, forms, colors, lines, and textures with various media and experiences.

The Club members have used their talents for the good of many. In school, one of their projects was painting the press box. Their concern was also put into action when they sent original Christmas cards to "shut-ins."

Mrs. Partin is the sponsor of the Club. This year's officers are: President — Rick Daniels; Vice-President — Jeanette Jackson; Treasurer — Betty Credle.

The students of Kempsville High have always excelled in the field of fine arts. They are outstanding in oils, batiks, pottery and other areas. The work of these students has been exhibited in city and state levels. Their contribution to the recognition of the school has been inspirational. These talented individuals have as their primary goal to mold and develop imaginative potential. Art is an area of education which allows one to create. It serves not to stifle but to encourage creative thinking. The artists are again this year grateful to the guidance of Mrs. Partin, head of the Art Department.

There are a number of students who excel in a particular media. They are: John Caddy — acrylic painting and pastel drawing; Mike Player — drawing and painting; Patty Dawson — acrylic painting and watercolor; Peyton Campbell — pencil and ink drawing; Ivan Morris — ceramic pottery; and Betty Credle — at ease in any media.

MADRIGALS APPEAR ON TV

The chorus of Kempsville High School has an unlimited repertoire ranging from pop to classical music. We have the opportunity to hear both types in the two concerts presented each year. The Christmas concert has become a major part of the holidays. The spring concert is where the choral department really branches out to modern day numbers.

The department has several divisions of singers. They are classified into Girl's Concert Chorus, Accapella Chorus, and Madrigals. The Madrigals has perhaps claimed the most attention for our school. They are a select group of students who practice with Mr. Sawyer on their own time as well as school time.

LAS VEGAS TRIP — A REALITY

The Kempsville High School Marching Chiefs are always ready and willing to serve the school and community whenever they are called upon to do so. The Band appears at all home football games and most away games, pep rallies, and annual parades. This year the band performed at several Neptune games and also at the Oyster Bowl Game. Their greatest event was the trip to Las Vegas, at the invitation of the Lions Club of Virginia. The band visited Disneyland while on their visit and brought back to us a wonderful half-time presentation of their own, "Disney on Parade".

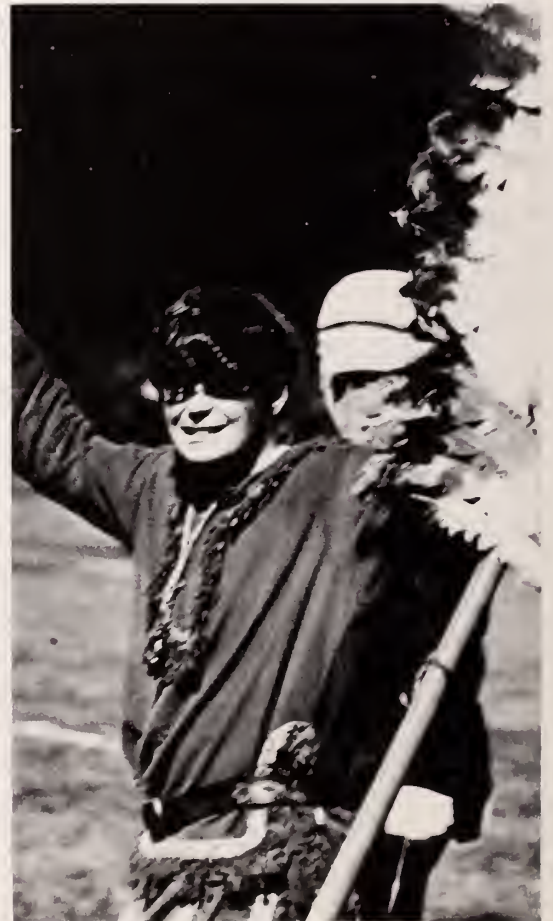

Individual honors are won by top band students during the year in try-outs for All-Regional and All-State Bands, for solo and Ensemble Contests.

This year was a busy and exciting year for the majorettes. Besides performing in many places including the Norfolk State Homecoming Parade, Oyster Bowl Parade, the Charity Bowl, the Lions Club Eye Bowl and Neptune Games.

The majorettes worked closely with the band and accompanied them in every performance. Mr. Cole, aided by Mrs. Montgomery, this year's sponsor, helps with routines, costumes, and other important matters.

SQUAD RECEIVES HONORS AT CAMP

The purpose of the Varsity Cheerleaders is to promote school spirit by building up the teams morale. These girls have worked very hard together to become an outstanding squad of cheerleaders. This was proved by winning the title of "The Most Outstanding Squad" at National Cheerleaders Association Cheerleading Camp this past summer, and by being awarded the spirit stick.

The girls have attended many activities this year. They cheered and modeled at a fashion show at Military Circle. The group represented Kempsville in several parades including the Oyster Bowl, and cheering in the Charity Bowl held at Union Kempsville. Co-Captains are Debi Forehand and Becky Matthews. MOON HEADS COACHES FOR SIXTH YEAR

Once again the coaches have pooled their efforts to make Kempsville a winning school. Every year it seems a little more is accomplished in sports. It is obvious that experience is a great aid to skill and winning. The coaches and players have developed greatly.

Kempsville boasts several top honors in the city, district, and state. Each year attempts are made to gain more acclaim.

Sportsmanship is a vital part of every game and our school. Even when our teams lose they learn more about winning. Hopefully we can always maintain an attitude which is to be respected.

Early in the football season, Kempsville fans felt that any chance of victory was hopeless. But the Kempsville Chiefs, coached by Mr. Tracy Moon, proved otherwise with several wins and well-played games which will not be forgotten. An excellent passing and running game propelled Kempsville to its first win of the season, a 26-14 decision over Kellam. Throughout the season, the aerial attack led by Billy Paschall proved to be the most successful in moving the offense and scoring.

Homecoming was celebrated with a perfectly played game which resulted in a victory over Cox, 28-6. Leading 7-6, the Chiefs came up with three fourth quarter touchdowns. In the fourth quarter, Ricky Deglow recovered a fumble on the Cox 21. Three plays later Julius Hurdle went across from the four. Bill Paschall fired a 16-yard pass to Don Hauck for the third touchdown of the game and the final Chief touchdown came on Hauck's six-yard run.

PASCHALL NAMED ALL STATE QUARTERBACK

In the last game of the season, Kempsville played an outstanding game against Bayside, with a score of 17-15. Kempsville was leading until the last 3 seconds of the game, when Bayside scored with a three point field goal. This was probably the biggest heartbreak of the season.

Kempsville High School is proud of its team. We are especially proud of our quarterback, Billy Paschall, who has been singled out for a number of honors, including being named "All State Quarterback."

CHIEFS UPSET FIRST COLONIAL

This was the year the Chiefs were looking forward to. They had experience and more height than last year. They were expected to produce Kempsville's best record in Eastern District competition. This was not to be, as the Chiefs started out losing to Princess Anne and Bayside. They came back and beat Kellam and First Colonial, and it was down hill from that point. It seems as if they could not put a full game together, and went down to defeat game after game.

The rebounding for the team was taken care of by Jim Roberts, Britt Glisson, Greg Brinkley and Rudy Mackey. The scoring for the team was done by Paschall, Roughton, and Glisson, with Brinkley and Mackey right behind them.

ROUGHTON IN SECOND YEAR AS COACH

Bill Paschall and Greg Brinkley were elected co-captains for the year. Returning lettermen were seniors David Roughton, Mike Mills, Rudy Mackey, Bones Peterson and Charlie Green. They were backed up by players from the Junior Varsity team of last year. Those on the squad were Jim Roberts, Britt Glisson, Doug Boone, Tom Maddrey, Bob Traino and Brett Poyner.

The team and the coach wish to thank all the students for the good support they received during the season.

Appreciation is also extended to Mr. Cole, and his band, who performed during the Chief's home games.

Coach Roughton plans strategy for Kempsville's next game.

The Kempsville High Varsity Wrestlers, coached by Mr. Weller, had an outstanding year, compiling a 9-4 winning season for 1971-72.

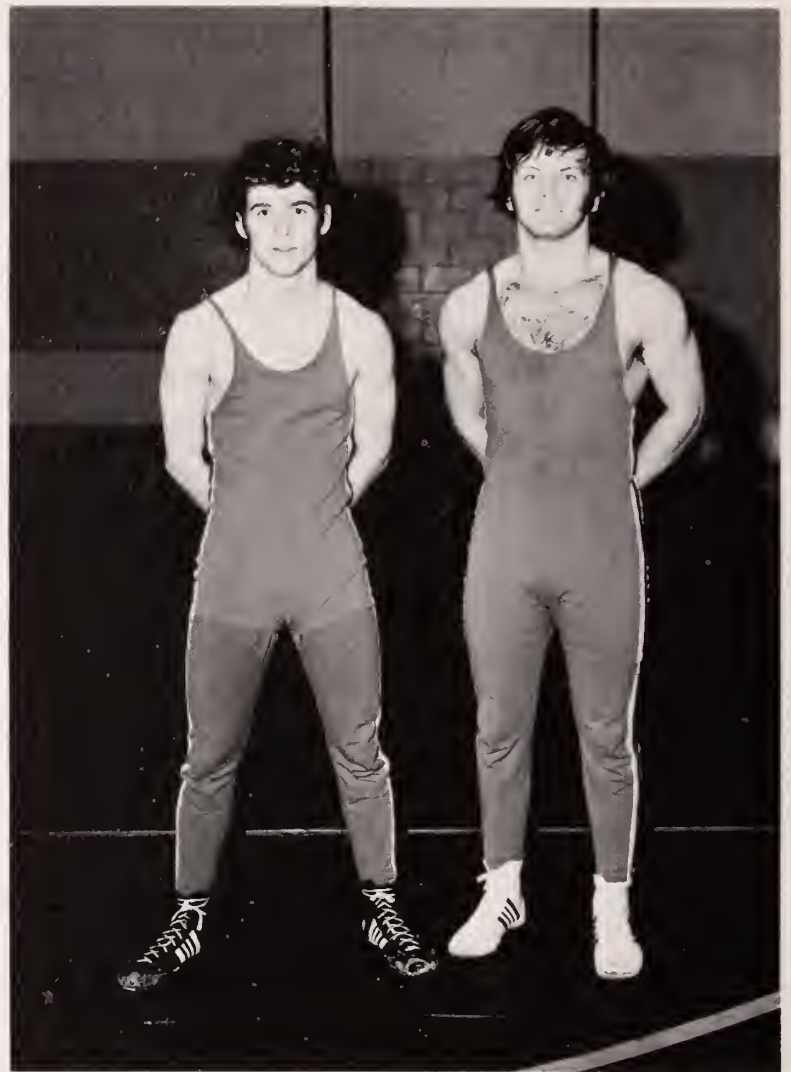

In reality, the J.V. and Varsity squads are combined as one team using individuals from both whenever necessary to wrestle in Varsity matches.

KHS came within one match of winning and breaking Granby's 78 match winning streak. Our matmen humiliated Indian River and Bayside with a score of 51-3, and 44-5 respectively. These were just a few of the many decisive victories accomplished by the KHS matmen.

NUMBER ONE IN DISTRICT

Dedication, spirit, teamwork and above all, hard work, proved again to make a successful year for the Cross Country team. For the second year in a row they have won the Eastern District Championship, which was held at Little Creek.

Kempsville was also represented this year by a J.V. Team composed of ninth

and tenth graders. They were undefeated and participated in the William and Mary Invitational Finishing third in the State.

The "Most Valuable" award was given to Co-captains George Goff and Mike Billari. The "Most Improved" award was won by Clyde Doxey.

The 1971 Spring Track team had a slow start by losing their first three meets but improved greatly by winning their last three. They ended the season with a 3-3 record.

Track is an individual sport but it takes a team effort to win a meet. It is one of the hardest sports there is. A person going out for track must have a great desire and devotion to his event. He must stick with it until he has accomplished the best he can do. Track takes extreme practice for all events.

There were many outstanding athletes on the team this year. In the hurdles, Jerry Inge; high jumps, John Reeves; pole-vaulters, Don Jackson and Artie Bulman; in the sprints, Clyde Doxey, Dwight McCoy and Julius Hurdle, and distance runners were Mike Billari, George Goff and Mike Boyd.

The team was coached by Mr. Parker and Mr. DeSarro.

ENDURANCE — VITAL TO INDOOR TRACK.

The Indoor Track Team, coached by Mr. DeSarro, strived constantly for strength and endurance. This paid off when several members of the team went to the State championships representing Kempsville outstandingly, placing a strong sixth.

Clyde Doxey placed third in the five hundred yard dash and George Goff was fifth in the mile. Jerry Inge took a first in high hurdles and a fifth in the low hurdles which made Inge the only one from Tidewater to take a first place at State.

The team also traveled to Williamsburg to take place in the William and Mary Invitational. In this meet, Jerry Inge placed a third in low hurdles and George Goff placed a second in the half-mile. Other outstanding members on the team were Mike Billari, Julius Hurdle, and Legus McCoy.

The overall tennis team record was one win against nine losses. Despite the fact that, statistically, the team had a bad year — some good came out of it. Experience, of course was gained. Many individual efforts proved worthwhile. The potential of these players was evident. David Jordan and Bill Montgomery posted a seven and three win loss record in doubles, while Scot Lukas and Roddy Buffington finished five-five in singles.

The seven starters were Kurt Kamrad, Scot Lukas, Mike Robinson, David Jordan, Bill Montgomery, Roddy Buffington, and Gary Teagle. Mr. Morschel coached the team.

Agility and strength are of the upmost importance in the area of gymnastics. As in all sports, there is a certain amount of risk involved, but careful training and skill are developed to control this element.

The KHS Gymnastics Team excelled in the 1971 state championship and remained undefeated in all olympic events and duel team competition.

Our gymnasts have proven their outstanding ability in all areas of competition with Phil Perry and Steve Johnson as all around gymnasts. Denis Powers and Harry Hall have shown excellent qualities as side horse specialists as has Rick Haddock on horizontal bar.

Much credit is given to Mr. Weller who spends many hours in coaching the Kempsville Gymnastics Team.

The girls gymnastics team this year has thirteen enthusiastic members. During the year, they will compete with five Virginia Beach schools and take part in the regional competition held at Woodrow Wilson High School on March 4. They are hoping to place at the regionals and send some of their girls to the state competition.

Women's gymnastics are made up of five events: balance beam, uneven parallel bars, vaulting, tumbling, and floor exercise. The most important aspect of the team this year is the spirit of cooperation. The girls are also very proud of the new uniforms which they were given this year. Gymnastics in this area has experienced a tremendous amount of growth. Hopefully, it will become more advanced through experienced, specially trained coaches and rated judges. Mrs. Lam is gymnastics coach.

After starting the season with a heartbreaking loss to First Colonial, the little Chiefs finished with a 3-2 record losing the final game to Bayside in a hard fought battle. In the three team victories, the defense, which played outstanding ball all season, held our opponents scoreless.

Some of our outstanding defensive players were Ricky Bliese, Brad Clements, Tim Thompson, and Jimmy Moore. The offense was led by Bob Bailey, Dennis Bennett, Keith Cochrane, Craig Cochrane, and Joey Claxton.

The team was coached by Mr. Creekmore and Mr. Sawyer.

The JV Basketball team, coached by Mr. Gavin, was led by Alan Price with a 17.8 average. The remainder of the squad was made up of many other boys of considerable talent. The guard responsibility was shared equally between Mike Torrech, Rick Bliese, Buddy Hooper and John Gilchrist. All the players at one time during the season were team leaders. The rebounding chores were handled by Terry Lassiter with additional help from Brad Brinkley. Oliver Mayfield and Pat Downs. With reserves like Grady Hedgespath, Mike Brock, Hal Nuckols and Jimmy Hartley, the JV Chiefs had a very well balanced squad.

The offensive thrusts came from the bats of Clyde Covington and Allen Price, each with a batting average of .333. Other outstanding players were John McKinney, Jan Patterson, Tommy Mott, Brett Payner, and Jimmy Roberts, all who contributed to a most successful J.V. baseball season.

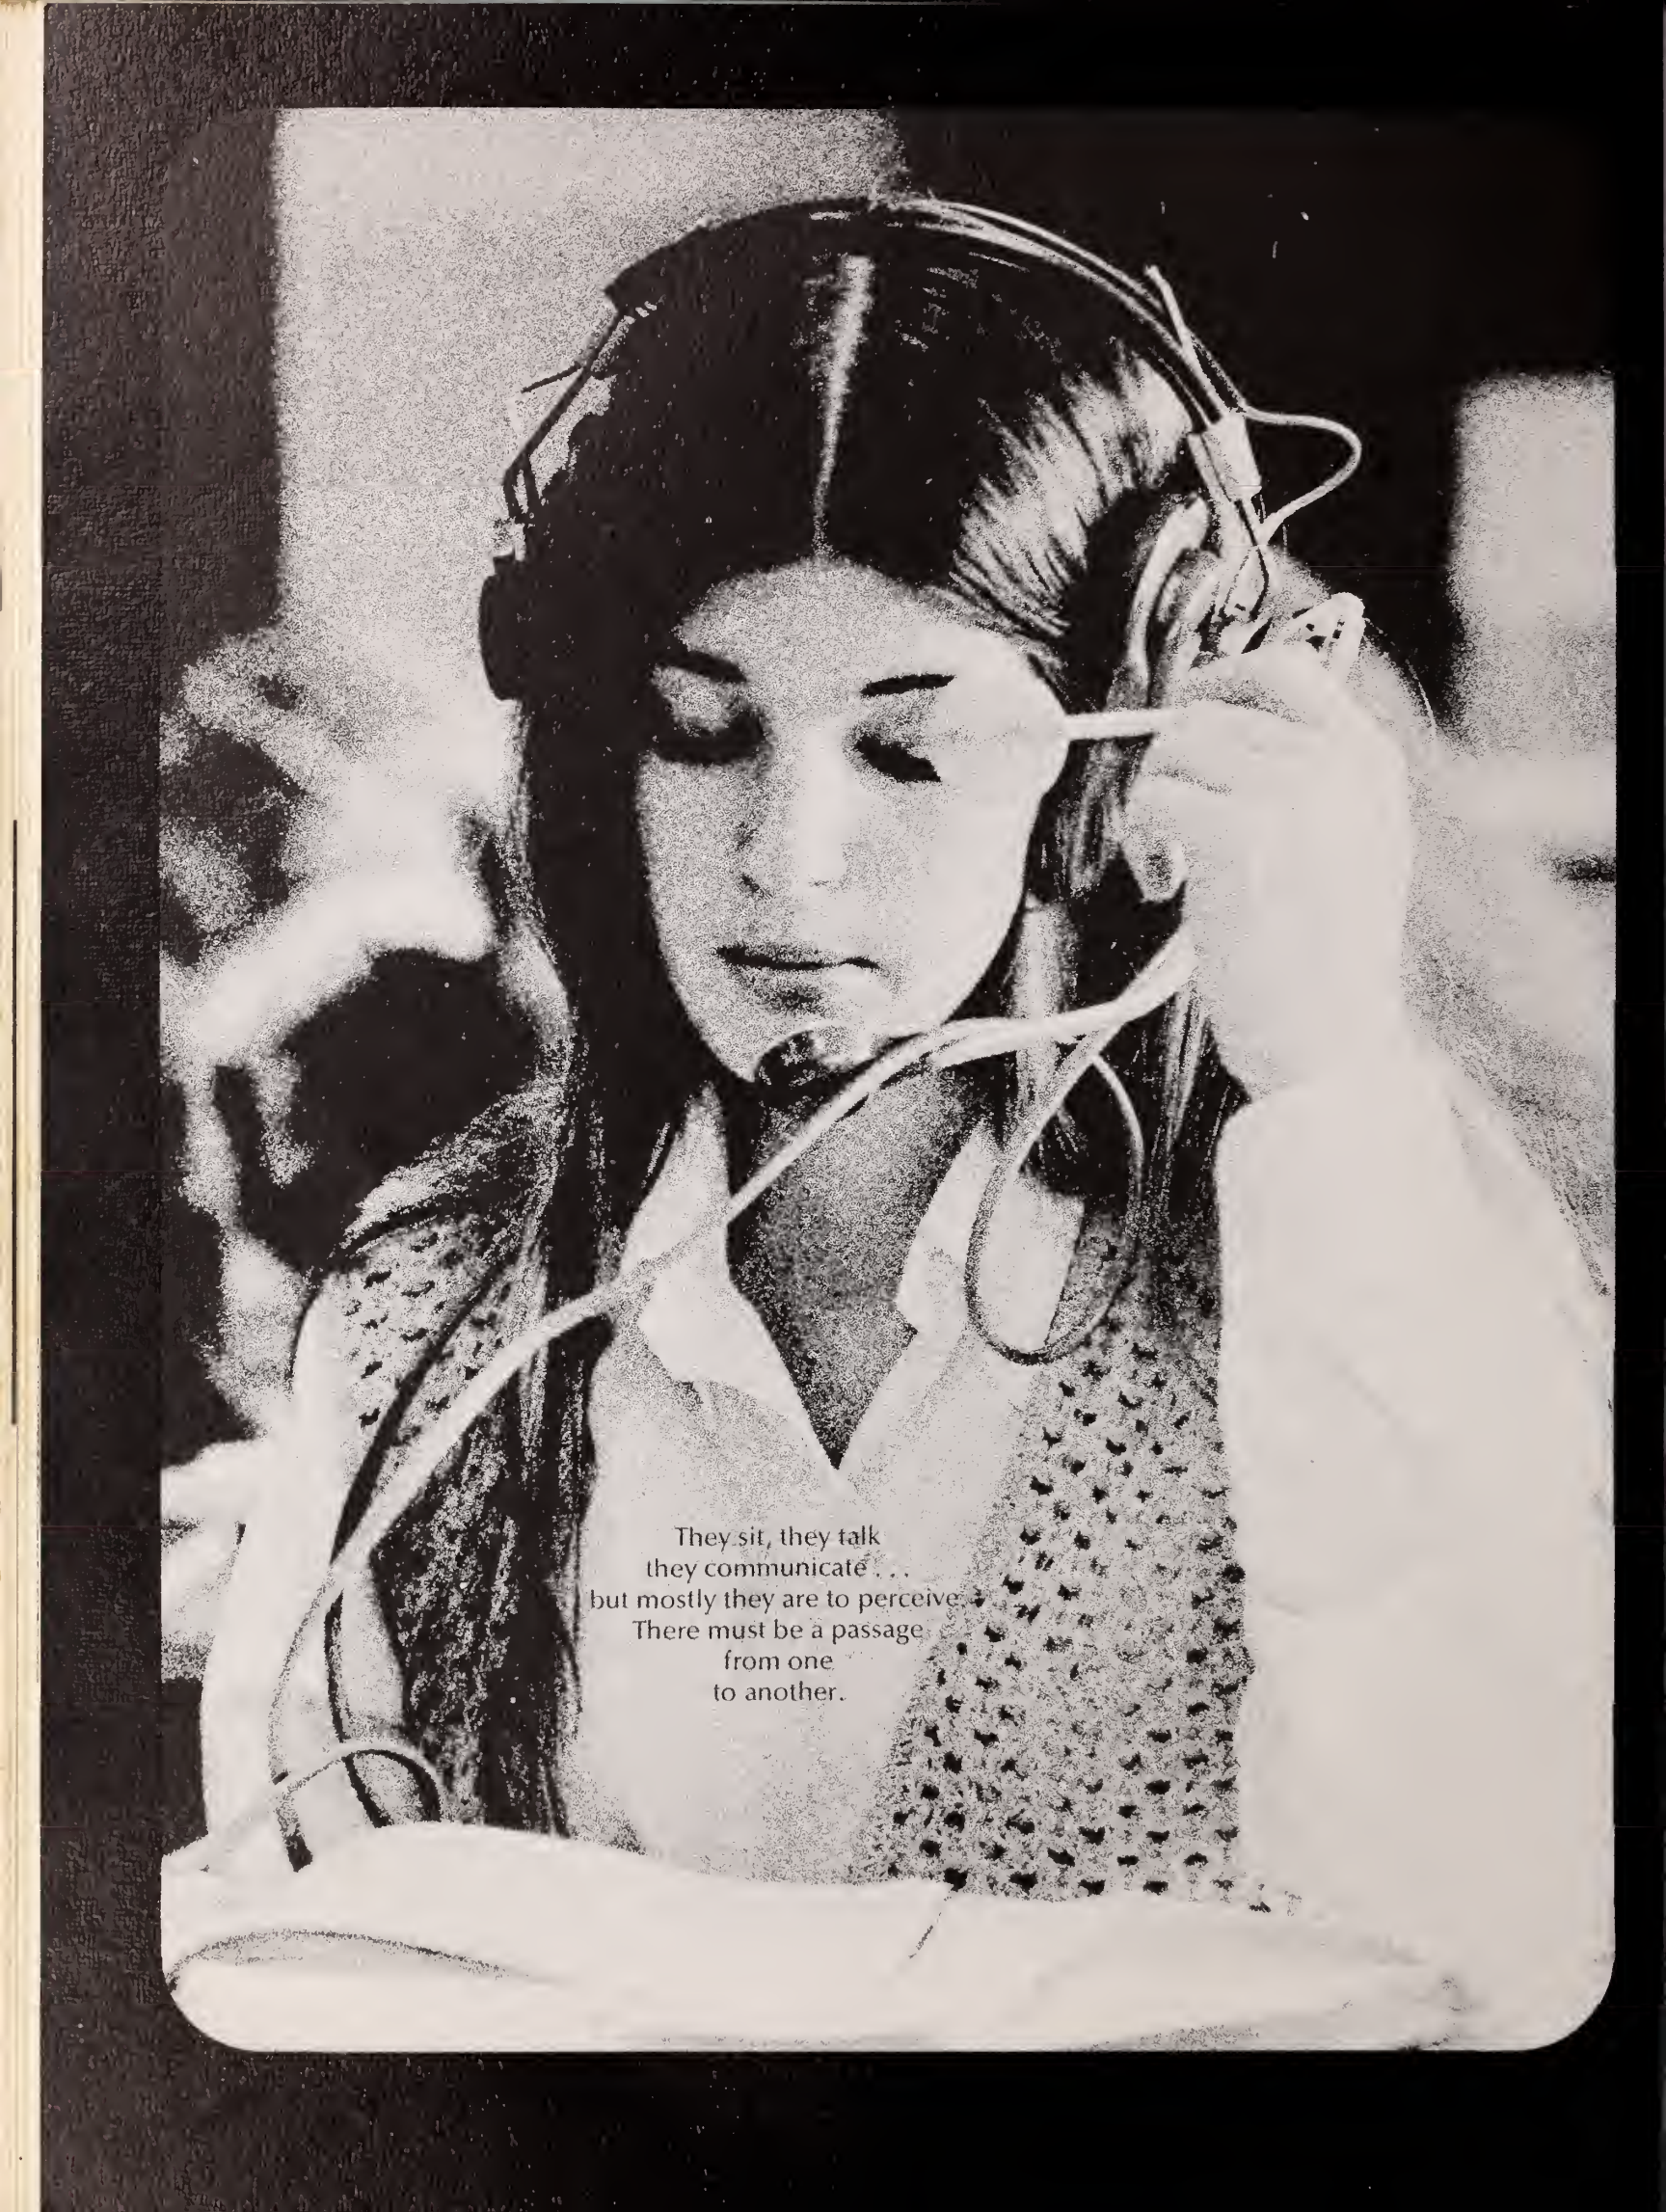

Row One: Tommy Mott, Jan Patterson, Mark Barbee, Robbie Gunter, Clyde Covington, Bobby Traino, John McKinney, Brian Catlin. **Row Two:** Eddie Boyce — manager, Bret Poyner, Tommy Chowns, Jimmy Roberts, Barny Gable, Allen Price, Coach McDuffie.

Ten outstanding seniors are chosen each year at Kempsville in recognition of services rendered to the school. They are nominated by the senior class, screened carefully, and then selected by the vote of their class.

Any school, is of course, what its students make it. Some give a great deal, others very little. It is those who give more than they demand whom we wish to honor. There is no particular area in which one must excel to qualify for this position. The outstanding seniors may be involved in many activities or particularly outstanding in a few areas.

Now the Army starts you at \$268.50 a month.
And you may not even have to spend it.

Training and education.

Free medical and dental care.

Free meals.

30 days paid vacation and a lifetime retirement are some of the other benefits today's Army has to offer. If you'd like to serve yourself as you serve your country,

Today's Army wants to join you.
